“ *Carole was an amazing woman who was like a second mother to many of us. I will miss talking football with her and sharing life's ups and downs with her. She always had time to listen and offer advice to me in which I will always be grateful for. R.I.P*

Carole was one funny and tough cookie! And as little as she was, she wasn't afraid to stand up for what she believed in. I'll always admire the kind of grandmother she was. She was an involved and loving protector. She was in her grandkids life's every step of the way. She wouldn't have missed a thing and would've done anything for them. Her family was her life. Every child should be blessed to have grandparents like the Vamvas children had. She will never stopped being missed.

Craig and family - so sorry to hear about your mom's passing. She was the last of my cousin's in that age group. I know she loved you, the kids and grandchildren very much. She will be missed.
