“ Aunt Carol was the best. She was there in my life when I needed her. I remember how she would call me and take me out just so I could have a break. When I lived with her she always made sure I had what I needed to succeed. I know it has been years since I have seen her but I have never forgotten what she did for me in my time of need. I loved her dearly. I have been missing her even more. Uncle Ray, Don, Kim, and Matt I am sorry for your loss. I love and miss you all.
