Dear friends and loving family, Well, you are all together again for yet another funeral. Please reflect on this... When are we alive? When are we dead?

My heart stopped. My body ceases to breathe
earthly life, but I'm not dead. Cathy McCallum A Prayer by Cathy- Help me
remember, Lord, that like the seasons of the year, life brings continuous
growth and changes.

As long as I remember that I can look with expectancy to all that lies ahead.
I can rest in the assurance that you are in control of the seasons of my life.

“ Only an Aunt can give hugs like a mother, can keep secrets like a sister, and share love like a friend. Thank you for being all those things to me. I love you Aunt Cathy
