“*Catie and I had met back in 2012 and instantly clicked. Her and I became great friends. She had a fun sense of humor and would do anything for anyone. She always cared for everyone and could have you laughing at any moment. She was definitely a safe place to be able to vent to and share different things with. She had such a love for Jesus, that you'd have no choice but to want to know Him more just by being around her. She had a gift of encouraging you and knowing the right things to say at the right time. She loved well! I know she touched so many lives. She blessed my life as well as my family. I will remember the good times! She is in a better place now. May God bless and comfort Catie's family and loved ones throughout this time.*

“*Catie and I attended junior high and high school together, and we had many classes together throughout that time. What I remember the most is that she was the most polite person I can remember; always considering others and their feelings. From what I remembered, she had a passion for Hello Kitty and her faith. May she rest in peace.*

“*Catie and I went to jr high together. She was always so kind and soft spoken, even though life was never easy for her. We recently reconnected a little over a year ago and she was one of my closest friends. We talked often about our hardships, but Catie was always so positive and I wasn't. She made everything look so easy! Such a beautiful Angel she was. I will miss my friend so much!*

*Rest easy Catie. I love you more! ❤️❤️*

“*I knew Catie around the time she graduated from High School. We met at church, she was friends of my grand children. She was sweet, caring, and willing to be involved with church activities. Lost contact with her, but will remember her and her love for Jesus. So sorry to hear of her passing. Jesus has her iN HIS arms now and forever.*
