“ Matthew, Kimberly, Amanda and Family, We are so very sorry for the loss of your mom. Our deepest sympathies are with you during this time of loss. We hope you can find reassurance in the care of your family and friends, and allow the loving memories you have of your mom to help you through this time. I remember your moms kind heart and friendly smile on her face every time I would go to Vince and Joes. I would purposely go and check out with Cecelia! Hugs to all!

“ To all of Cecelia's family: We were so glad we could visit with all of you today but so saddened to lose Cecelia so very young. Knowing she died on the same date as Ralph's second anniversary was somehow comforting. I pray all of you will hold onto each other as you endure this huge loss in your family. Love, Bess and Fred
