“ I met Cecil when he was playing with the Rhythmics Big Band. Cecil was just a delightful man. He almost always had a smile on his face. I gave him a few lessons and it was a pleasure to work with him. Cecil was the kind of man who brought joy into others lives. May God bless him. I wish there were more like him in the world.

“ I remember Cecil coming to my office to list all the parts for big band charts and putting them in folders which he also labeled. Thanks Cecil for your hard work. And doing his taxes for several years. Al Kimball

“ Cecil was very kind and very friendly. He enjoyed playing the saxophone and other instruments. I will always remember Cecil playing in various bands with me. I hope that I can learn to be more friendly and kind to others because of Cecil's influence upon me. His family can be proud that he made an impact on others! Lynne Henry

“ I work the front desk at Peachtree Tennis Club where I was able to get to know Cecil when he would play in the Clinton Seniors group. I never saw Cecil once get mad or frown. Just two weeks ago Cecil was out on the court playing tennis and I remember him hitting a winner drop shot. He was awesome at that! He looked up to the desk and I was clapping for him and I just remember him smiling and throwing his hands up in the air like "I just did that!" He was just a happy man. I'll miss Cecil. I hope when I am 91 years old that I can still have as much fun as he did on the tennis court. Rest In Peace Mr. Cecil.

“ So sad to hear, and my condolences to the family.

He and I would laugh all the time. And that's tough with a tenor in your face. We helped each other keep track of where we were in the sheet music. If he/we got lost, he'd just continue playing.

Such a pleasure to have known him.....

“ *I worked the front desk at the senior center from 2015-17. Cecil always had a positive attitude and was ready to make music with the other senior musicians. He contributed a lot to the senior center and will be missed. Cecil was a sweet, sweet man. My deepest sympathies to his family and friends.*

“ *I didn't know Cecil well. I had the pleasure of playing music with him at St.Michael's Catholic Church in Sterling Heights on several occasions. Cecil brought a great attitude and musical talent to every session. God Speed Cecil.*

“ Judy and I are very saddened to hear of the passing of our friend Cecil. Over the years we played Senior Tennis with him, Pickle Ball and had many wine and cheese get-togethers after Tennis. We also attended some of his musical stylings at the Clinton Senior Center and spoke with many musicians who learned to play music from, and with, him. He was also a Choir member for years at St. Ronald, the church we attended. He was always a pleasant and up-beat person which made him a joy to be with. We laughed and had fun with him and were always happy to see him. We will remember him with a smile on his face because that was how he lived.
