“ *My dear friend Dolly. The summers we spent in Port Austin on the beach. Our kids playing in the water and you with that big straw hat that tied under your chin with a big red bow, covering your hair rollers. Oh, lets not forget the drink with all the celery and carrot sticks. What memories we made. May you rest in peace my friend. susan*

“ *I met Dolly at her place of business in January 2004. I remember greeting her as Cecilia and she told me to call her Dolly, as lead me to the conference room, telling her boss we needed to discuss a few things. I only met with Dolly a couple times after that, but she left a lasting impression on me. God bless, Bill*

“ I remember Dolly growing up on Northlawn St. I remember she taught me the bedtime prayer..... Now I lay me down to sleep. . . Sweet memories of her and Tinker, cleaning the house together before we could go outside to play, I would always help with the chores so we could hurry and go! I will forever remember Dolly. Until we meet again dear friend.
