“ Harry We are so sorry for your loss. I remember how much fun Chari was at the wedding, and all the parties we had at your brothers house. She just made me laugh so much and her smile was contagious. She loved you so much and always said how wonderful you were to her. Chari was a wonderful loving person who even through her sickness cared so deeply for her family and seemed to worry about all of you more than herself. Tim and I are so grateful for knowing her. She is with God now and will be your angel watching over all of you. May God be with you and your family. Hugs to all of you
