“ My memory of Chuck goes back to the early 1960s when he, Bill Bittner and my late husband worked at Henry Ford Hospital and at one time shared an apartment. He is godfather to my daughter Christine. We lived quite a distance from each other so would spend the night at each other's house, one summer even spent a week at cottages in Port Sanilac. We eventually lost touch but after many years met again as members of the Holy Cross cruisers car club. Chuck and my husband Wayne were and remained friends. Chuck was a great guy; he will be missed. My sincerest condolences to Elaine and the entire family.

“ The times we shared were just the best of my life. Potlucks, Toronto, canoeing, church and more. I moved to CO and AZ many years ago so we lost track of each other. I did speak with Elaine yesterday and we had many laughs!! God be with your family while you are with the Lord and how wonderful is that....

“ We were not close friends but we enjoyed Chuck and Elaine whenever we met.....they had such a refreshing and loving relationship with each other.
I particular meeting them at Meijer, they had gone their separate ways shopping as many couples do and kidded about their adventures when they rejoined.....they had such love for each other.
A blessing to have met them both. So sorry for the families kids.
