“ Uncle Chuck for days now I have been wondering what I can say. There is really nothing except that I love you and will miss you. I am so glad that we made the trip to see you before you went back to the hospital. I will forever cherish the memories of my Godfather. I know that you are now with the love of your life again Aunt Mildred. I know that she was waiting for you with open arms. Even though we will all miss you terribly, I take comfort in knowing that you are in the arms of God and suffering no more. You gave so much strength to our Family. We will all forever miss you and cherish your memory. Steve and Phil, I know that there is nothing that I can say to you that will comfort or ease the empty that you feel. Please know that my prayers are with you and your families everyday. I love you all. -

“ Dearest Uncle Chuck, You are the highest and most soaring example in my life of integrity and hard work. Work in California kept me away from your funeral, and I offer the sweat of my brow in honor of you. You are with our beloved Aunt Mildred, who I'm sure welcomed you into her loving embrace. You both loved me, and I will meet you in my prayers every day for the rest of my life. Your loving nephew, Ron

“ Dear Hididd Family, When Rosie and Marie called to let us know about Chuck I thought we would be able to come and pay our respects. Issues arose that didn't allow us to do that. We admired and cared about Chuck. Julie kept us informed as to how he was doing and he was in our prayers. He never failed to ask me about my business and how we were doing any time we saw him. We will be making a donation to the diabetes society in his memory. Love to all.

“ Prayers are with you all on the loss of Mr. Hiddid. My father Gene also owned a business on 11 Mile Road in Royal Oak and though we were only neighbors for a short time, we always enjoyed Charlie's visits to our store, his bright, warm smile and his stories. He'll be missed. the Kwiatkowski family
