So sorry to hear about Chuck's passing. I've known Chuck for over 50 years, from earliest Burroughs days. I can imagine Chuck asking the Lord to take care of his family then asking the Lord to do something about the sorry state of politics today. R.I.P. Chuck. Ray Dembek

Brenda & I are very sorry to hear about Chuck's passing. We've known him and his family(through his many stories of family events) over 30 years through our working together at Burroughs/Unisys. He was a great co-worker who was always there when you needed to get a project completed and could be counted on to deliver was needed to make a project successful. We'll miss the "humor" e-mails he shared to give us a laugh or two and remind us not to get wrapped up in the day to day stuff. His notes about the Miller family also reminded us that family is important and should be the top priority in your life. We know it was for Chuck. R.I.P. Mr. Miller.
