“ Chuck Shock worked with us for around 8 years. In that time he has made an impression on all of us as a good hearted, caring person who loved his family very much. He always spoke of his grandson and the excitement that he gave him. The Saturdays will just not be the same around here without Chuck. Every week Chuck would ask what manager worked that Saturday so he could bring them in a coffee or hot chocolate. Chuck was full of good conversations and very knowledgeable. Chuck will be truly missed at our company. To all of Chuck’s family we offer our deepest sympathies!

“ To The Shock Family, Words cannot express our feelings of sorrow and sympathy. I wish that we could be there with you all in this unfortunate time of grieving, however the birth of our daughter Elsie has prevented us from making the trip. I know without a doubt you all understand and know we would be up there if we could. We love each and every one of you and are extremely sorry for loss of Uncle Chuck. Hope to see everyone soon; you are all in our thoughts and prayers.

“ To Mary Ellen, Michele, Kelly, Samantha, Jillian, Joyce, Linda, Ray, Elizabeth, and to mom, Frieda; to all of his aunts, uncles, cousins, nieces and nephews, and of course to his grandson, Cody, I extend my deepest and most heartfelt sympathy on the loss of Charlie. I have over the years known many, many people, but none have I ever known, was as great a person as Charlie was. No matter if anything was ever wrong in his life, he never let on to anyone. Charlie always had nothing but good to say about anybody he had ever encountered in his life. Charlie always had a smile for everyone and treated everyone as though they were part of his own family. Charlie loved his family deeply and was absolutely giddy about the birth of his grandson Cody. I have known Charlie for many years and enjoyed our nightly chats, which I will sadly miss. I am proud, and I am deeply honored to say that Charlie was, and will always be my friend. Godspeed Charlie, until we meet again.

“ We are all deeply saddened by the loss of Charlie. Although he no longer worked for us at Sunoco Hall Road, it was always a pleasure to see him. He would always stop in after work to get his coffee and just to see how everything was going. Firas would always ask him "What's up Chuck" and he would always reply "YOU ARE". We will miss you Charlie. Our thoughts and prayers are with your family.

“ Although it's difficult today to see beyond the sorrow, may looking back in memory help comfort you tomorrow. I will miss talking with Chuck and listening to him share his stories about his family and his knowledge of coffee. Know that I will keep your family in my prayers.

“ We are so sorry to hear about your loss. I know this does not make things better, but at least your father has found peace now and is no longer in pain or ill. My family's thoughts and prayers are with you and your family during this difficult time. Perhaps they are not stars in the sky, but rather openings where our loved ones shine down to let us know they are happy.
