“ Having been close neighbors, Chuck and I had lots of laughs together as kids - playing baseball and football in the yard, riding bicycles and minibikes, hanging out in the barn, and sledding on the hill behind his house. Of course, we got into just a little bit of trouble here and there. I will remember Chuck fondly as will all the MacIntoshes. Our hearts go out to his family and friends. -Craig MacIntosh

“ Paula, I'm so sorry to hear about Chuck. I will hold you up in prayer. I wish I could be there for you, but I know you are loved and have a lot of people around you who love you. If there is anything I can do, please let me know. I pray God will keep you and your children close to him during this time. We love you Lisa and Family
