“ Charlie and Aunt Phylis where the most loving brother and sister you could ever know. They traveled together to Italy in search of their roots. They loved every minute of it. Aunt Phylis had two Charles's in her life. Her loving brother Charlie and her loving husband Chuck. At Aunt Phylis's 100 birthday party Charlie danced with Aunt Phylis and the picture of that is so very precious. We are better because we knew Charles Visconti.

“ Dear Bobo. I thought I sent this message correctly before, but it does not appear, so will try again. I share with you the loss of Charlie while admiring you for keeping him happy and alive this long with your love and care.. Also , you have my respect for setting up a foundation at WSU. I would be at the funeral, but I am only a year younger than he was and not well or mobile. I wish you all the best.

“ "Uncle Charlie" came into my life about 30 years ago. I will always remember how much he loved life, his humor, his stories, as well as his love and passion for Italy. The veil has been lifted and he has been reunited with his mother, sister and all that went before him. Bill and I have been blessed for having knowing you Charlie. We love you, will miss you and your zest for life! Bill and Pat Saddler

*Charles was always a part of our lives, my three siblings and I, growing up in Detroit. He was Godfather to my brother and attended every important event in our lives. Truly a blessing to the world. Always in our thoughts. Frank Szalma*

“ *To the family of Charles Visconti : Please accept my sincere sympathy for the loss of your loved one. While we don't know one another, experiencing the devastation of losing a loved one is something we all face in our lives. The Bible promises a time when "death will be no more" (Rev 21:3.4) and assures us that God hears our prayers (Ps 55:22). I hope this brings you some peace during this difficult time.*
