“ I am deeply saddened by Charlie's passing. As a long time former resident of Pleasant Ridge and a YMCA member as well, I've had the honor to know Charlie very well. His upbeat personality and witty comments were always well received by myself, other Y members and even my mom and dad, Ruth and Jack Kelliher (also of Pleasant Ridge). Charlie has left behind quite an impressive heritage and I am sure we will all cherish those precious memories we've created with him!

“ Charlie was one of my VERY favorite step aerobics participants at the YMCA! He never missed a class, would sometimes bring his daughter, had great rhythm and always had a kind word and big smile to share with anyone that might need it. We even named one of our moves after Charlie--the Charleston. Even after he stopped coming to step aerobics, when we did the Charleston someone would always yell out, "This is for you Charlie!!". You will always be in our hearts Charlie! Your good humor, your kindness to others and your zest for life will always be remembered and admired.

All my love, Kirstin Steinhauer

“ I remember brunch at their house and their station wagon and their dog, Lucky. Lots of really good memories. He was more than just my friend, Shannon's dad. He was a really nice person and he will be missed.

“ *Just this past summer when the forester visited our place up north, Uncle Chuck walked all the way out to the back of the orchards, into the woods. He looked up into the sun, and looked radiant. Just two weeks before, he could barely walk out past the barn. It was a very special moment with him. We will all miss him very much.*

“ *Charlie was a close personal friend in Junior and Senior high school. He sometimes used to take me to St Mikes High School in his 1949 Buick Convertible. I used to try to spend a lot of time at his families house during our school years because they had a television when few other families had one. I will miss his ready laugh during our school years and at our class reunions.*

“ *Charlie was a wonderful Irishman and a fantastic lawyer. He had a great sense of humor and understanding of human nature.*

I first met Charlie many years ago at an Irish Lawyers" dinner/dance when he & Mrs. Cooper brought my old high school teacher and friend Betty Yura & her husband Irv as their guests. It was fantastic story telling and conversation from the get-go and it never let up all of these years later. I, along with the legal profession, will miss Charlie.

The Cooper family is in my prayers.

“ *Charlie, Betty and I ditched the whole family for a while in Ireland during the second Barlow family reunion. Actually itching we got lost coming back for the family Mass held in the Glinsk church. I will always remember his infectuous smile. Mike and my sympathies to Betty and the rest of his family.*

“ *Charlie will be missed dearly by his friends and family at the 52nd 1st Division District Court. He was known here for spreading joy here with his infectious smile and laugh. Charlie was truly one of the kindest souls this court has ever seen.*
