“ My dear friend Cheryl/Megan and family- Our family first met your family long ago when we made the move from Detroit to Sterling Hts. It was quite a move but your family made us feel comfortable and helped with the transition of a new school. Cheryl and my sister Dawn became fast, close friends (mon amies) as well as a dear friend of mine. We have seen each other through many triumphs and tragedies of life. Cheryl's wit, kindness and uniqueness will not be forgotten. We all love you and will miss you.

“ *I'm quite sure I first met Cheryl at a program at the park called Terrific Two's. We had many fun play groups and exchanged child care through those years. We were Daisy leaders together and shared much fun and stress. Jobs, divorce, moving - it's been years since we've spoke. I've thought of Cheryl often, but never made that phone call. Sorry dear friend for not reaching out. Hugs to you, Megan. May your mother rest in peace.*

“Megan and family, I send my deepest condolences on the loss of Cheryl at such a young age. I met Cheryl when our girls were in grade school. We became troop leaders with Lisa Martindale for our Daisy troop. We had such great times and enjoyed all of our adventures as much as the girls did. Cheryl was so creative and had the best ideas on how to earn badges for the girls. She found field trips for us to take the girls. From camping in my yard to museums and more. It was the best experience and I cherish all those memories. As everyone has mentioned her smile was beautiful and infectious. A kind soul that touched so many lives. Cheryl will always live on in all of us that she touched. Love to you Megan and know that your Mom will always be with you watching over you. xoxoxoxo

“My dear friend Cheryl Ciske, I feel so blessed having you in my life, when first met at Crittenton we became instant friends, we were the dynamic duo in the Marketing department! I always admired your writing, your quick wit and your contagious smile, which always lit up the room!! so many fun times. You were the one who talked me into trying scrapbooking, and boy, we sure had fun doing that together!

I so enjoyed our conversations and especially the one we had this passed Saturday... and I'm glad I got to see you on Thursday to give you hug and kiss good bye... although my heart broken, I know your journey to go home will be wonderful as you reunite with your Mom and Dad!

You sure raised a wonderful young lady, Megan Lynn... I know how proud you are of her.

I will look for the 1st butterfly of the season as you said to me, 🥹

Much Love, and eternal peace... ❤️

“ Cheryl and I were frequent field trip buddies when our girls were in school. She had a great laugh and we laughed a lot. One time we were traveling through a construction zone with a newer bus driver who kept hitting the orange cones. We were laughing so hard even though it was a little scary. Megan, I am so sorry for the loss of your Mom. She was a sweetheart.

“ The first time that I met Cheryl she came into our scrapbook store where Megan was working. Cheryl had this radiant smile every time she saw me...I could not resist getting a hug. Over the years I looked forward to her and Megan stopping at our booth for the Mega meet scrapbook show. Cheryl loved looking at all of the new scrapbooking supplies. I will think of her every time I scrapbook. May she now Rest in God's arms. She will be missed by all who knew and loved her. 💕
