“ Dear Mike, Kitty and family, I am so very sad about Lynn. I first met her and Mike at the Nazarene church in Newark, that was 1977. She befriended me and my ex husband right from the start. We all became very close friends. I remember the times at her and Mike's house, she would make nachos with peppers and cheese on them, it was always such fun to go visit them. Mike would tease her a lot and we would all laugh. I remember the nights after church when we would go to Frisch's and have hot fudge cake, even though we were "dieting"! Lynn always had a way to make you feel good, she would cheer me up when I was feeling down. I looked forward to seeing her at church and outside of church. She loved her children so much, I remember her talking about them, they were her world. I remember one time she was talking about her mother and said that she was her "best friend" and that she didn't know what she would do without her. She loved her family more than anything. She loved life and lived it to the very fullest. I last talked to Lynn in 2005, we lost touch after that, but she has always been in my thoughts, wondering how her and Mike were doing, how life was going for them. I know she is in the arms of her Savior now, no more pain or fear. One day we will all see her again. In my heart she will always be my friend even though she is not here with us. She will be missed terribly by all who knew and loved her. God be with you all and give you the strength to get through every day. In His Love, Cheryl

“ Our thoughts and prayers are with you all. I just looked at the pictures of her and Uncle Mike at our wedding. It meant so much to us that they were there. The lamp you gave us is still by our bed. Also I will never forget the unique lollipops that came with the lamp. Now she is with Papa, and they will be looking down on us together from her new beautiful home with her Lord and Savior. We send our love to all of you.

“ I literally gasped when I heard about the passing of Lynn. I can still hear her contagious laughter and see that ever present twinkle in her eyes. I think it was fourth grade at Johnny Clem that we were pretty inseparable. I remember the sleep overs and play dates so well. In her adult years all she could talk about is how crazy she was for her grandchildren. She couldn't have been prouder! I wish the family peace during this difficult time and know that she will be missed by so many.

“ I too remember Lynn from long, long ago at NHS, Wilson JHS and Johnny Clem Elementary too?. “ Lynn remained such a kind and caring friend after so much fun and laughter in our elementary school years even at a distance. I'll always remember those "wonder years" with her with great fondness. I have heard it said that the sign of true health is the ability to do without it. Lynn's exceptional grace and dignity through her struggle shows us all the wisdom in those words. Love and light to you through all eternity Lynn! And to your family as well through their loss and loving memories of your blessing through your time with them. Too short but so rich!!!

“ I'm deeply saddened over the passing of Lynn. I grew up going to school with her all through Wilson Jr High and then Newark High. She was a very nice and kind person, who I'm glad I had the good fortune of knowing. She had such a wonderful smile and could brighten any ones day. Lynn may you be with God and smile down on all of us left here on Earth. You will be sorely missed at our 35th Reunion later this month.

“ Dear Mike, I opened up the paper today and read that Lynn had passed away. My heartfelt and deepest sympathy to all of you. Kris & Scott, I have so many fond memories of your mom. I was 16 when I started to babysit the two of you all those summers ago. Only by babysitting for your mom was I able to afford spring break trips in high school! Your mom was so kind to me. I remember most her smile and the funny stories she would share with me about her work when she came home. Although I haven't seen any of you in quite a while, there were many days when I would think of all of you and wonder how you've been. God bless you both and your families during this difficult time. God grant your mom eternal rest. Love and prayers, Tina Venditelli

“ I just cannot believe it. I have so many fond memories of Lynn but my favorite is at Wilson Jr. High where we had the exact same schedule in ninth grade. She would stop in the restroom before EVERY class to check her hair and makeup; I was always rushing her b/c we would be late for our next class. You will be greatly missed with many fond memories. “ Dear Miles family-I wanted to express my deepest sympathy on learning of the death of Lynn. I knew her as a student at Wilson Junior High School and Newark High School. I remember all of the extended family also, but especially Lynn and LT. We now live in the Outer Banks of North Carolina having moved here in 2005, although we had been coming here for 20 or more years and bought a house here in 2000. Again, my deepest sympathies! LT-would enjoy hearing from you at some time. Jim and Jackie Stutz Wenner
