“ I worked with Chet beginning in 1977 at the Stroh Brewery in Detroit and continued on with him at GM until he retired. Chet was a great guy who I enjoyed being with and I'm very thankful to have known him. May he rest in peace. My heart felt condolences to his family. I know you will miss him dearly.

“ Chet is someone I really looked forward to seeing at family gatherings....I loved his smile and loved to hear him talk about our family history. I am deeply saddened by this news. I have always wanted to make the time to get together and go through old photos with him as we have talked about so many times before...I wish I would have made the time...He will be missed:
