“ I'm so sorry to hear about the loss of such a wonderful guy. My heart goes out to Chris's family. He always made me feel welcomed at every gathering I attended whether it was at his place up north or a backyard barbeque. May God keep His arms wrapped around you all to find the strength and comfort to continue your journey through this difficult time. I pray for peace and comfort for Chris's family. Thinking of you all❤️

“ Love and prayers to Roz and family. I only met Chris once, but what a wonderful person he was to Roz. He made her smile and be happy all those years. I appreciate you Chris for being that steady man that Roz needed in her life. Too bad we lived so far away, I wish I could have known you better. Only through the eyes of my dear old friend. She always had great things to say about you. I know God has you now and you are at peace. I lit a candle at mass yesterday for you both. Love, Mary Kay (nee Knowles) and Bob Armstrong

“ I first met Chris when he started dating my sister Roz. He was a gentle and kind man with a beautiful smile. When he made my sister smile and laugh, I knew he was the one for her. He will be greatly missed.

“ *It is not often that you are blessed to meet someone as nice as Chris. He was liked by all who worked with him and everyone always spoke of him in a very positive way. He always had a smile, he was always willing to help anyone and he always had coffee to offer.*

I remember the last day he worked and it was close to quitting time. Most people would have been walking around and saying a possible final goodbye to all his friends at Warren Stamping, but Chris, instead was elbows deep trying to fix equipment that he helped launch. I just smiled and laughed a little, it was no surprise to me because that was who he was everyday.

I pray for his family in this very difficult time. Chris always talked about his family and how he much he loved you all. I pray you can find comfort that he is in a place, watching over you and no longer in pain.

“ Driving by our house, smiling and waving on the pontoon boat, that's how we'll always remember Chris. He was in his natural habitat on Jose Lake. We'll miss saying "hi" kayaking around the island, too. Roz, we hope you find peace during this difficult time and we offer up prayers for you and your wonderful family. “ I met Chris when I was 14 years old, he lived down the street from my dear friends, "The Rottmann family" He helped me through many hard and emotional times in my life. He was my dear friend, my prom date and someone I could always count on. I loved the boy and the man he became, as a brother, as a confidant as someone that was always there and could be counted on. Even though we lost touch over the years I never forgot his smile, his laugh and the way he always made me feel safe and loved. Over the years I thought of him often and shed a tear for the lost friendship but the memories that he left me, made me smile. Chris, you were a great shining star in my life and now you will shine a light for everyone who had the great privileges of knowing you. Rest easy my friend! Until we meet again

“ We first met Chris and his wife Roz 2001 when they bought property on Jose Lake. We became good friends immediately. We spent many hours either on the boat, porch or fire pit just enjoying good talk and “refreshing beverages” Chris was such a wonderful, generous good friend. Our life will not be the same without him. We will miss our dinner nights, vacations and most of all on Jose Lake with Chris. Our thoughts and prayers are with Roz and family.

“ My growing years have memories of Chris who was friends with both my sisters and a big brother to me. He was always around! I have nothing but lovable, fond memories of Chris. I loved his big muscles and his laugh was one of best ever, very infectious to say the least. I loved and adored this man even though my adult life was only speckled with Chris. He was awesome and will always have a special place in my heart 💖 Our families were very close . Goodbye for now.
