“ Hey ma! I just wanted to stop and let everyone know how much of a great person you were. You took me in as your own daughter 5 years ago when you started dating my dad & even when I left to Tennessee you still called me and cared for me. It was a never ending unconditional love you gave me. You've done such a great job as a mom to me & I can't thank you enough. I graduate this December, I know we talked about you coming.. you'll still be there I promise.

“ Christen you had one of the prettiest and most infectious smiles I have ever seen. I remember rescuing that kitten with you at work. You had such a big kind heart for animals. Gone way too soon. To your family I am so sorry. She loved all of you so much and would tell stories about you. Take care of yourselves. Sheri

“ To the family of Christen Pichler: Please accept my sincere sympathy for the loss of your loved one. While we don't know one another, experiencing the devastation of losing a loved one is something we all face in our lives. The Bible promises a time when "death will be no more" (Rev 21:3.4) and assures us that God hears our prayers (Ps 55:22). I hope this brings you some peace during this difficult time.
