I worked with Christian Mustill since he first started at Lake Huron. He had a great sense of humor and was compassionate and dedicated to his job made us all feel like family. He would always talk about you Julie and Morghyn, and would love to share pictures of the family.

Julie/Morghyn I send you my heartfelt prayers during this most difficult time stay strong he will forever be your hearts and watching over you.

*GOD Bless
Dianne*

“ *Dr. Chris was my favorite swim Dad ever at BOH. He has left us way too soon. Always willing to help out ANY way he could. We had a lot of laughs for the little time I knew him. There are no words to express how sorry I am for Morghyn and Julie. I just hope that the good memories will temper the grief of this monumental loss for your family.*

“ I met Chris in the 8th grade. He helped me be comfortable in a new school and let me know I had a friend. Chris along with many good friends at Royal Oak Kimball learned to find our path. When we went off to Ferris State as Freshmen Chris was once again a home base to A new World. He was supportive, Fun and once again a good home base. I am blessed to call him my friend.
