

## Christina Jackson

March 24, 1955 - May 16, 2023

Christina June Jackson, 68, of Wyandotte, MI passed away at her home on Tuesday, May 16, 2023. She was born March 24, 1955, the daughter of Richard and June (Denyer) Jackson in Isleworth, England. Christina was very proud of her English heritage and could often be found keeping up with any information on the Royal Family. Christina was a loving mother who cared for nothing more than her family. She was a proud employee at Detroit Metro Airport and worked as a TSA agent for over 20 years. When not working or caring for her daughter, she would collect and consume classic and modern horror movies; her love of the genre extended to her book collection, which included Stephen King first editions. She enjoyed listening to some of her favorite rock or “hair” metal bands: Led Zeppelin, Def Leppard, and anything by Ozzy Osbourne. To her many beloved friends and family, Christina was “a good witch.”

Left to cherish her memory are her mother: June Jackson; children: Louis (Amy) Kerman and Ashleigh Zalewski; grandchildren: Bill and Wilder Kerman; and sister: Deborah Esmacher.

She is preceded in death by her father: Richard Jackson; stepfather: Bill Seng; and her brother: Stephen Jackson.

Honoring her wishes there will be no services held at this time. A memorial will

be held at a later date. The family asks that you share a memory at [www.sullivanfuneraldirectors.com](http://www.sullivanfuneraldirectors.com)

Any donations can be made for the care and support of Ashleigh Zalewski.

“ I worked with Christina at the airport, she trained me and it was absolute pleasure to be able to work with her. I always looked forward to seeing her and just being able to chit chat with her. She was an amazing person who definitely made the work place and world so much brighter.
