“ *Dear Chris - It is with deepest regret I was unable to pay my last respects to you either at the funeral home or the funeral Mass. You knew how ill my husband is, and it was just impossible to get there. All dressed and ready to go to the Mass, and then I was unable to go. My dear friend, you will be so very missed. Your husband and son were so fortunate to have you in their lives, and they have such wonderful memories of you. It was such great fun working with you Ziebart, and you were so willing to do whatever you could to help the staff; always ready, and always with a smile. No wonder you won the Employee of the Month. Such an asset to the company, and everyone looked forward to you getting back with Ziebart again. My dear friend, God must have wanted your smiling face to be there with Him; that is why he took you so fast. He wanted to share with you your love of gabbing. You were a wonderful person and it is my privilege to have known you and be considered your friend. God bless you and enjoy the peace and love that now surrounds you. You will always be in my prayers. With love and deep affection, your friend - Elaine*

“ *My prayers are with the family. She worked for me at MP pumps and she was a beautiful person. She was always there to help anyone that needed her time. I am so sorry for your loss. Peggy*

“ *Jack and Joe I am so sorry for your loss. I know it has been years since I have seen any of you...back when Joe was still "Joey"...but I will always remember the countless hours I spent babysitting for Joey. Chris always made sure to spoil me by having plenty of pop on hand and money for pizza! She also spent a lot of time talking to a lonely teenager... God bless you~ Cheryl*
