“ *I met Christy at Trinity Lutheran Church & School in the Mom's group about 7 years ago and Christy was always bubbly, kind and sweet. During her Cancer journey she always amazed me how well she handled herself. She was always so brave. I was also dignosed with Breast Cancer in Sept. 2012 and seeing her strength gave me the courage to fight too. While waiting in the parking lot for my boys to come out of school, I would see Christy walking into the Church entrance or out of it and she always had a bounce in her walk and a smile on her face. I always wondered how she managed to be so positive but, it soon didn't matter to me "how" she did it... What mattered was "she did it" and her journey has made me that positive person too. My heart breaks for her family. They lost an amazing woman way too soon. We ALL lost an amazing woman and she will be missed in the hallways of Trinity. My thoughts and prayers go out to her entire family and friends. If there is anything our family can do to help you out, Anthony, please call us anytime. Our number is in the Trinity directory. God received another Angel in heaven and I know she will be watching over her children every second. A Mother's Love remains in a childs heart forever. Alyssa and Nathan... Your Mother loved you so much and she will always keep her eyes on you. God Bless You All! Christy's memory will stay alive forever! Thank you, Christy, for the inspiration you gave me to be a true Fighter! Gina Maskell and Family Trinity Lutheran Family*

“ I was a friend of Christy's from high school. She was a bright, joyful, comedic spirit then, as I'm sure that she continued to be. I knew of her struggle and prayed for her often. I will continue to pray for your family as you grieve this irreplaceable loss. This was the devotion that I received from my church today. It seemed appropriate to share it with you ... "From one day to another God will gladly give to everyone who seeks Him and tries each day to live a little bit more closely to God and to each other, seeing everyone who passes as a neighbor, friend or brother, not only joy and happiness but the faith to meet each trial not with fear and trepidation but with an 'inner smile.' For we know life's never measured by how many years we live but by the kindly things we do and the happiness we give." unknown author I'm certain that the measurement of Christy's life, while short in years, was great.

“ I do believe any one that knew Christy or came in contact with her, she left an amazing impact on them. Her family surely was blessed too have her as a wife, sister, aunt, daughter but most of all "mother". I knew Christy from working at ADP. Always full of vim and vigor and a bright smile all the time. God Bless you Christy no more suffering.

“ I met Christy when our girls were in dance class at Kensington Community Church 6 years ago. We bonded as she and my husband are huge Chicago Bears fans. Over the years we have run into each other again and again and she was always a source of light and laughter. God bless her family as they walk their new path. Christy will be with them shining her goodness from heaven, I am sure.

“Christy was a force to be reckoned with! When I first met her at Western, she was already assimilating herself into the "Frankenmuth" culture of Eicher/Lefevre. She soon became an honorary member of Frankenmuth and attended many, many events there. Christy and I lived together all through college and a few years beyond. We had so many laughs. Christy was spontaneous and spot-on funny! One of my favorite memories is of us dressing up as nuns and singing "Like A Virgin" at a center for emotionally impaired teens. We won their karaoke contest and then took ourselves to the mall as we walked around, blessing people. When Christy met Anthony, I knew he was THE ONE. More importantly, she knew and a perfect match was made. They created a beautiful family together with the additon of Alissa and Nathan. Over the last few weeks, Christy laughed, shared memories, and taught her family and friends about strength and faith in God. These lessons have not gone unheard. She was an AMAZING friend who I will miss greatly. The pic is how I will always remember her!
