“ I have so many memories of my dear friend and former sister-in-law, but I still called her sister. we used to play cards, spoons, scrabble, a whole lot of games. We both loved to read and shared many books together. We also loved to go camping. I have a beautiful picture of me and Chris together taken at Danieles wedding, I have it hanging in my dinning room for all to see, the captions over the pictures says *f r i e n d s*, out of wood blocks . I will always miss Chris she was a great person and my good friend. Brad and Daniell, I am sorry very, very about your mom, love Aunt Virg Perry xxxxxx
