Chris, was one of my greatest friends a brother. We always kept in contact as I spoke to him last week Sunday and Monday. One of the most humble and selfless friends I have ever had. I think the ones who really knew him would agree. Some of the most memorable times in my life was shared together. A stubborn man when it came to his health but that was Chris. Mr. I will do anything once or whats shaken. That was our Chris. Will always remember you my brother. You will be forever missed.

you know he will have a new couch thats for sure. I gave my forever love to you and you always gave it back. You are in a better place now. Till we meet again Chris!!! Your forever friend Robert Stone,
