“ *I am sitting here heartbroken! Chris was a brother to me. So many great crazy memories. Chris was always on the go.... you never knew what State or Country he may be living but I could always count on him to check in with me or my parents. I have been trying to find him since around 2003 but had suspected he may have passed while overseas. God I can still picture the first day I met him at Notre Dame, and then standing up as his best man when he married Meredith. I miss you brother : Derek Wartner*

“ I just wanted to tell you how shocked and sad I am by this news. I have known Chris since kindergarten. I remember going swimming at his house and playing with his four poodles. I haven't seen him since a few years after high school, but I still considered him a good friend. I'll be thinking and praying for you and his daughters.

“ Helen and Phil, I just heard the news yesterday and my condolences go out to you and his three little ones. This is so sudden and tragic and there aren't enough words to explain my sadness and hurt right now. The last time I heard from Chris was about four years ago, and I believe he was leaving for Korea the next day. Even though we hadn't kept in touch lately, he was always a good friend to me, ever since we were classmates in 8th grade back at Mt. Calvary. We had such good times growing up as teenagers. I will truly miss him. My thoughts and prayers are with you, Brian
