

Christopher Reese

December 28, 1960 - April 30, 2021

“How still; How strangely still the water is today, it is not good for water to be so still that way.”

Christopher Allen Reese, 60 of Macomb made his final voyage on April 30, 2021. Chris, as he was so fondly known to his friends and family, was the incredibly dedicated husband of 34 years to Rhonda Reese (Carnes). Having met as teenagers, the incredible relationship Chris and Rhonda had will be missed beyond measurable words.

“There are no secrets to success. It is the result of preparation, hard work, and learning from failure.” Chris was the epitome of a dedicated employee. He took tremendous pride in his career as the Vice President of Manufacturing at Future Products in Troy Michigan, where he worked for 37 years. He provided such a shining example of a hard worker to his family, that through him they could see with hard work, anything was possible.

Beloved husband of Rhonda. Dear brother of Timothy, Daniel, Kenny, Billy, Mike, Ricky, David, Maggie, and Patrick. Chris was preceded in death by his father, Daniel; mother, Margaret; step-father, Wendell McShane; and brothers Leo and Dennis.

A celebration of life event will be held at a later date, in the meantime, the

family invites you to share stories of memories shared with Chris.

“ Simply put- things just won't be the same. Family dinners, we'll miss you. Family game night, we'll miss you. Continue to send cardinals so we know you're nearby. Rest in heaven my dear sweet uncle. Until we meet again. ❤️

“ *The grief we all share in Chris’ passing is immense. I will hold dear the memories of these past 11 months getting to reconnect with our move to Michigan. Chris and Roni were so gracious to let us stay with them when we landed and looked for our house. I would like to think they missed us when we moved to our new home. I know we sure missed seeing them every day. We had some great times and lots of laughs this year. Until we see each other again. Love you brother. You will be missed.*
