“ *To : Tita Nieves, Chet, Christine, Anita, Daniel, Amy and David, giving my condolences to your family at your time of loss. I will always remember Tito Jun and my mom and dad enjoying themselves fishing almost every summer on the weekends and coming back with buckets full of fish each time. I remember they always had smiles on their faces and taking pictures of their “catches of the day.” Tito was such a kind, generous and thoughtful person. He treated me like I was one of his kids and enjoyed my time with him when we would have our gatherings. I will miss his voice on my dad’s answering machine/voice mail wishing him “happy birthday “ every year. He was such a true friend to my dad. My thoughts and prayers to all of you during this difficult time. 🙏❤️*
