“ *A couple of things I remember about Dolly - She came out to California and stayed with Mark and Carrie at the Marina Apt. Didn't you guys travel a lot around the state too? A Vegas trip?! That was like 20 years ago! Dolly was very close to her daughters - she was one of the girls. There's nothing more fun than being one of the girls! But she also had those two boys that she loved! From what Carrie told me, I knew (more importantly they knew) that she loved and supported her grandchildren. And of course, will all remember Dolly's Daisies at Crystal Lake! The circle of life goes on and on. Love to you Mark, and your family. Ann*

Dolly was visiting up at Crystal Lake when Mark bought the daisies. We named them c daisies, and they continue to grow year after year. We will always think of dolly when we look at the beautiful daisies. I am so grateful that Dolly got to spend some time with the Fredal family.

“ Mark,

I was sorry to hear about the passing of your Mom. From what Carrie wrote, I can see many of her attributes in you - her humor and love of life - you represent her well. The best advice I had after losing my Dad suddenly was that " in the most difficult times, you can receive unexpected gifts." Soak up every story about your Mom from her friends and relatives, you will learn a lot over these next few weeks. Let people help you and your family. Also look for little signs that she is still with you - my guess is she will never be far away. I'm praying for you, Carrie, Mark, and of course Spoon.

Lots of love -
