“ Jeff and Family, I was so sorry to hear of Clara's passing. You may remember me Jeff, I work at the Secretary of State as Region manager here in the U.P. I moved up north in 1992. I always admired your wife as a manager and a person and worked with her for many years. She was truly a wonderful person. May God comfort you during this sad time.

“ Jeff, Amy and Alison, I just wanted to take a moment to offer my sincerest condolences on your loss of a wonderful wife, mother and grandmother. Clare was a very good friend to me and played a big part with where I am in my professional life today. She taught me, amongst other things, to never forget to laugh. Even if that laughter is sometimes directed towards yourself. Clare showed me that you have a sense of humor and do well on the job. Out of sight was not out of mind as I thought of her often. Know that she thought the world of all of you. Unfortunately, I will not be able to attend the services as I've relocated to Lansing.
