“ *Kathy, I can't remember your exact words when you paid a visit upon my mother's passing, but it was something like, "She's in a better place." That meant a lot to me. Jake lived a good life I've heard anecdotely usually from people who have had a few beers at the time, but, that's the Baier family! I can picture my Dad, uncle Floyd, etc wondering...he'd better bring that beer tapper coil! My condolences to you and the rest of your family. -George Baier Harry's boy*

We will also pray for you, his family, during this difficult time.
