“ *Haven't seen Joe in many years. We grew up on the same street. After I got married, we rented his upstairs flat and then the little house behind. Our oldest son was born while we lived there. Joe was a lovely person and a great landlord. Judi & Mel*

“ *Uncle Joe always remembered everyone's birthday in his extended family which made you feel special. I'm the spouse of his nephew, so that made me feel welcomed into the family. He was a feisty, warm, and loving family man that will stay in our hearts always.*

“ *Grandpa, you had a way of making everyone around you feel like the most important person in the world. I'm so grateful for the time we've had during our visits home these last few years, especially because I was able to watch you enjoy your great-granddaughters so much. I'll always remember Leason's, Wimpy's, donating blood with you, your visits to Ram's Horn, and all of the silly things you did to make all of us laugh. I will love you forever, and I can't wait to see you again! Love, Amanda*
