# Tribute Wall

“ Clarence and my dad, Jay Crawford, were close friends for many years before I came along and my dad really liked and respected him. And because I was lucky enough to go on big fishing adventures with Dad and Clarence for many seasons, I was able to learn from his example of what a gentleman is. He was always happy, polite, kind, and thoughtful and my childhood was richer because he was in my dad’s life.

God bless you, Clarence, and thank you - you will never be forgotten.
