“ My condolences to the entire family. Cliff or Clifford as i called him, was a great man! I have many fond memories and learning experiences that i have acquired from helping my father, Filbert Tissue, and Cliff as they worked on and conquered any obstacles that crossed their paths! I learned much of my mechanical skills from laying under a vehicle watching Mr.Hudson "improvise" a solution to many of the things me and my father broke over a 40 yr period. May They both Rest In Peace! I'm sure Cliff and my Dad are Reminiscing and Plotting their next move! Again, So Sorry For the Loss of Another Great Man. Jeff Tissue, Warren/West Branch,Mi.

“ Julie, the Rieck family and I are very sorry to hear of Cliff's passing. We know now that your folks are back together and watching over you. We will always remember the Christmas Eve's that the Rieck family went over to the Hudson's for some cheer and will always treasure those memories. Julie and the girls have many memories of growing up with the Hudson girls on Bayside and know that Cliff was a big part of making those memories. We send our condolences to all of you on your loss and will keep a prayer and a good thought in our hearts.
