“ Janet, we are so sorry to hear of Cliff's (Butch) passing. We feel like we grew up with him. He always came to our house and played baseball or football with us. We always had such fun with him. I had such a crush on him. My brothers, Clif and Donnie and myself have such great memories with him. He'll always be in our hearts. May God's peace be with you Jan. Rest in peace Butch. Love you always, Sally, Clif and Donnie Tilley

“ Jan, our hearts are broken..Both you and Cliff (Boopie) were friends with us for well over 50 years..You were always there for us, whether it be helping to take care of our children when they were young and we were having medical issues or other things. We could always count on you both for anything. True friends only come along if ever once in a lifetime and you both are TRUE friends to us. We will truly miss Cliff as you both are family to us. Both Ken and I and our sons feel our hearts being heavy at this time. Cliff rest in heavenly peace..

“ Janet,  
We are so sorry to hear about Cliff. He was always a happy & good man. I remember as far back when I was a kid, he would smoke his pipe when you both would come and visit. I always thought it smelled so good. He will be missed. Our thoughts and prayers are with you.  
Love,  
Maria & Phil
