“ Dear Val, Our deepest and heartfelt condolences and prayers from everyone at Aactron on the passing of Cliff. We will always remember how well he took care of us, how he got us thru so many planning sessions and so many of our odd and difficult projects. When we had a few moments, I especially enjoyed my time with him talking about our families, our kids, his grandkids, and some times about mountain biking, which he got me into and I have enjoyed for many years. We will truly miss him. -Erik Erik Kafarski Aactron, Inc.
