“ Pat and Rusty took care of our boys when I went back to work. They cared for them like one of their own kids and everyday when I left them and went to work I knew how well they were taken care of. Prayers to Patty and family on the loss of such a wonderful husband and father.

“ I met the Chambers, Rusty and Patty and girls when I was dating my husband. I was welcomed by all of them as if I was family already. I was told the stories of how Rusty survived the broken neck and paralysis. How Patty took care of him. I thought of Rusty as a kind of Super Man having power to overcome so many adversity and medical issues including Covid. He kept up the good fight so he could be with his beloved wife and family. I've always admired his tenacity and conviction. He was a confidant and friend to my husband many times, and I have heard that he was that for others as well. His kind and gentle soul will be surely be missed in this world, and by all those he touched.

Our thoughts and prayers are with his family now, in their time of grief may our words surround them with love. Sorry we all can't be there with you, but know our hearts are.

Love and Peace
