“ Collete was a great friend to any one she meet. You were only a stranger once, til you meet with her and she smiled. Than you were bonded friends. We meet her at the Bruce Post-VFW many years ago and she always was a great leader, friend, coworker, and mostly a Auxiliary sister to many. She will be missed. She is now with her husband, Bill and they will continue their love for each other and all their family. RIP sweet lady

“ I met Colette many years ago as a member of the Military Order of the Cootie Auxiliary. She was very active with the Cooties, even though she wasn't able to physically come to Supreme Convention or Tomb Trek, she was always on our Zoom Meetings and participated. Her wisdom and insight were invaluable. She will be greatly missed by those in Michigan and all of use in the Supreme Organization.

“ *I met Collette through my mother Geri Hunter. They were in the VFW and Cooties. I have many fond memories of the two of them being silly and laughing about one thing or another. I remember her as a happy, kind and friendly person. I always enjoyed being around her. I was proud that she led the Cootie service at my mother's passing. I bet the two of them are having a great time together now*
