“ *Colin, your mother in law Maryann has been praying for you every morning and evening so you can find freedom from your pain. You have been in my thoughts too. We believe you are on a peaceful lake teaching Emily how to fish while waiting until the rest of your family can join you. We pray Diane and your children can find closure and peace until that time comes.*

“ My heart is happy to know that you are once again "feeling good" like you longed for. My heart is also heavy knowing that your family moves forward without your physical presence. You've left behind many memories with them all and those work colleagues such as myself. Always so helpful, a very quick wit and always some sort of smile. Even in your last months. Enjoy your new home. -Love always - Joe D
