“ *Colleen my Cuz. That is what Colleen called me. Colleen was a beautiful person inside and out. Always had a smile on her face no matter what challenges life brought her. She was the flower girl in my wedding 1976. I also babysat Colleen and David in the summer of my teenage years. Colleen stuck to me like glue and David ran from us...LOL. Colleen and I talked often after her mother passed away and she would call telling me how much she missed her . Well, now she can enjoy her with all my other family. She is probably having a beer right now with my Dad uncle Bob. My deepest sympathy to Samatha, Tory, David and Family, Greg and Family. You will be truly missed. Until we meet again..... Love, Cuz*

“ *To Colleen's family I can not begin to tell you how deeply saddened I am to her this news. Although I have not seen Colleen in several years she was in my thoughts often. I still remember the day that I first saw Colleen and her brother David after Aunt Audrey and Uncle Neil brought them home from the hospital. I still have a picture of the two of them laying next to each other when they are only a few days old. I will always remember the bright smile she had every time I saw her, a smile that will not be replaced by anyone. After hearing the news of loosing Colleen I walked outside and looked to the sky hoping for a vision and there it was, a lone star to the south that I am sure was her and I asked her to say Hi for me to her Mom and Dad Aunt Audrey and Uncle Neil our Uncle Bob, Grandpa Luke and my Mom. Colleen you were a beautiful little girl and an even more beautiful lady. May you rest in peace with the Angles until we all meet again!!*
