“ We were saddened by Aunt Colleen's sudden death. Our thoughts and prayers are with you. Our fondest memory of Aunt Colleen was when she and Uncle Bob visited us in Chicago. We attended my company picnic. There were a number of grills going and Uncle Bob was gracious enough to get grilled chicken for Aunt Colleen and the rest of us. A couple of trips, I might add. The only problem was that the chicken was from a private party, not the company picnic. Aunt Colleen was embarrassed, but we thought that it was hilarious. We will miss her.
