“ To Judy, Leslie, Karen and Dawn,

Your house was my home away from home growing up. What happy, happy memories I have of all of you and of course Nikki. Your mother was always smiling, and had lots to say, usually funny! One clear memory is walking into your kitchen and seeing her making pasta, such hard work.... I think thats how your Dad liked his pasta, so with a full house of kids and lots to do, she still found the time. She was very, very special to me,

“ To the family of Colleen Valetti: Please accept my sincere sympathy for the loss of your loved one. While we don't know one another, experiencing the devastation of losing a loved one is something we all face in our lives. The Bible promises a time when "death will be no more" (Rev 21:3.4) and assures us that God hears our prayers (Ps 55:22). I hope this brings you some peace during this difficult time.

Cannot tell you how much she is missed. When she lived here at OPT, we were good friends. We laughed, we cried, we joked, and we got around pretty good. She was my friend. Even tho life thru a wrench at me, I was trying to get to her but never succeeded. I love you, my friend. Safe journey. Miss you very much.
