

## Connor Gibbons

February 26, 1997 - August 8, 2023

Connor Michael Gibbons, age 26, resident of Rochester Hills, Michigan, passed away on Tuesday, August 8, 2023 in Troy, Michigan.

Beloved son of Gregg and Sheryl Gibbons, older brother to Shane Gibbons, grandson of Della Parker (deceased Mike Gibbons) and the late Dan and Lynn Vaughn. Connor had a large extended family including many aunts, uncles, and cousins. He was a loving partner to his girlfriend, Renee Hime, and a great Dad to his fur baby, Bubba. Connor made many friends, including several from high school that stuck together and always had each other's back.

Connor touched many lives during his short journey. He will be kept alive through the countless memories made with loved ones and will be greatly missed until we meet again. May his family and friends find peace knowing his spirit is at rest in the Kingdom of Heaven.

“ It’s hard to think of the world without Connor. We watched him grow up, he played at our house, our kids went to school together. He was always in the mix. I watched him grow into a respectful and decent young man. We had some nice conversations along the way. We would also see each other at neighborhood parties and fantasy football drafts. Wrestling was a common interest we shared. I remember him being very disciplined when it came to physical fitness and weight training also. These memories all seem like yesterday. Time has carried on and he left us too soon. Until we meet again, may God hold Connor in the palm of his hand and grant you eternal life. We are heartbroken and our prayers and condolences go out to the Gibbons family, from the entire Halsey family - Dave, Debbie, Mike, Maddie & Harrison.

“ Growing up with Connor and Shane, I remember watching Tarzan with them many times. A very fond and prominent memory I have with them is always telling them "You will always be in my heart" which I got from the Phil Collins song, You'll be in my heart. I meant it then and I mean it now more so than ever. I will never forget Connor. He was my cousin and till this day I never forgotten those words I told him and his brother 2 decades ago. I will remember them for 2 decades more, and 2 more after that till my memories are taken from me by old age.
