“ I remember attending a wedding....I don't remember who's wedding it was and sitting at the table with most of the immediate Becroft family including my Grandmother, Aunt Corrine and my uncles. I was old enough to join the adult conversation and I don't recall laughing as hard as I did that night. That's what I remember, talking and laughing hard with the family. Both my aunts on my dad's side were warm and fun to be with.
