“ Although I didn't know Cory personally I watched him on video and listened to his songs and I was touched and his sense of humor shined through. Via FAC Maryville & you tube I am sorry for your loss; honestly I don't understand it, but I do know that God doesn't make mistakes. Some of our journey's are long and some of our journey's are short. That's why we must live each day like it's our last and I think Cory did that - then God said come home my son. Believe me Cory is celebrating with no more pain. I know you will miss him, but just know that God will get you through this tough time. Your sister in Christ Andi

“ I just wanted you to know that your in our thoughts and prayers. Cory was one of my favorite people and I loved to hear him sing. He was an anointed man of God that was a true example of a Christian. We met him when he was singing with his family, The Livingstons, and Cory and I just bonded with that kindred spirit. He was a blessing to us and we loved him very much. He always had a smile!What a wonderful thought knowing that he is healed and we will see him very soon! God Bless you all is our prayer. Cory's ministry will live-on and will still bring others to Jesus! Cory's song "Where Do You Go When You Leave The Lord" will always be a song that God will use so sinners will see their need for him! The Lord is truly our Hope and Strength! We pray that God will put his loving arms around you and give you comfort and peace for the upcoming days, weeks, and months. Cory has touched so many lives through his music and his ministries. I will always remember the courtship stories of him and Jina and how he proposed to her. And then the wedding - all you could say was "wow". Cory always had a smile and a great big hug to offer when you seen him. We will miss him greatly and as so many others have said, he has WON the crown now. “ Cory McCool is one unforgettable person. He left a mark on every person he came in contact with , while he was here on this earth, including me. I will never forget the amazing message he preached, when he came to ALAC. "Unorthodox Faith". Amazing faith from an amazing man! I believe that what God wanted to acomplish through Bro. Cory was accomplished or is still in the making, even though Heaven is his home now. I know even saying all that, it's still not easy. You will miss him dearly. My prayers will be that the Lord will comfort all of his family and friends and give you peace! Love and Prayers, Sis Crystal Cody

You always made us laugh everytime we were around you. When we found out that you were going to speak at our graduation in Maryville, we were ecstatic and could not wait to see you. As we expected, you delivered a message to our graduating class that will never be forgotten and is still being talked about today. Our family was touched and forever changed by your faith and the positive outlook you shared with us. You were genuine. You left a legacy. We will never forget you. “ I am truly sorry to read of your loss. I myself am a young minister and found it touching to read of someone so young passing away. Death as you know was never a part of God's purpose for mankind. God created Adam and Eve to live forever in a paradise earth. That is still his purpose today. It is also God's purpose that our dead loved ones be brought back to these perfect conditions here on earth. I would like to encourage you, when you are able, to look into the 11th Chapter of John and notice how Jesus referred to Lazarus death, as him being asleep. Demonstrating Jesus power and ability to easily resurrect him, as if awakening him from sleep. Also notice he resurrected him back to earthly life and Lazarus did not speak of an out of body experience. It is my sincere hope that these Bible truths will prove to be of some comfort and encouragement during this most difficult time.

“ Our deepest sympathies and heartfelt condolences for the loss of your beloved Cory. We are keeping you in our hearts, and holding you up in prayer, as you go through this time of mourning. Brother Cory fought the good fight, and kept the faith...now he is wearing a crown of righteousness and worshipping the King of Kings around the great throne. The many who were effected by his life, his ministry, his music will all agree, that he was highly favored and greatly used by God, and tho we do not claim to understand, we will understand it better, by and by.
