“ I Just recently learned about Craigs' untimely passing and am very heart broken. After reading all the wonderful annotations from Dave, Paul, Christine, the pandora box of my memories of Craig opened up. "Hoy-Gunga"; football in "Turd Grass Stadium"; singing, "I am your Frito Bandito" with Paul B., Mike H., Craig and me for ice cream during lunch at Jane Adams J.R. High. Playing tag on Cummings, 4-square, climbing trees, riding bikes. Getting oiled from the oil used on Judson, jumping off the roof of the garage into his pool. Sweating while we were playing up in Paul B. garage. Running from his older brother, Jim and having him catch us only to "Torture" up until we yelled, "Uncle". Getting "Red Bellies". Summer bible school at Peace Lutheran Church What I once have enjoyed I will never lose. All that I enjoyed deeply became part of me. Till memory fades and life departs, Craig, you will live forever in my heart. Walking Hand In Hand With Our Lord.

“ I am so sorry I lost touch. I will miss my good friend Craig. I wish I could go back in time and talk to him about all the great times we had. Doing things like playing Marco Polo, shooting pool, bowling, bike hikes, playing cards, the Belle Isle marathon he rode 100 miles with weights strapped to his legs, trips to Atlantic city, Vegas and Florida. Or going to the cottage. Seeing countless movies and crashing R.C. planes. Don't forget golf with papa burgers when we were done. I wish I could hear more Craigisms for ex. "It's like nature" when he saw a deer or when he said "we should just stand still in our cars and let the scenery go by". So this is goodbye my old friend, I hope we meet again in a better place where we can talk for all eternity about the great times we had. When you meet God I hope he says go fly with the angels Craig, and I can see you turning to Him and saying "I think I will just float in one place and let the clouds go by". Goodbye old pal. I am praying for you.

“ Craig was my best friend in childhood. He had a great sense of humor because he was very intelligent and had keen observation skills. You always knew that you would have fun with Craig! Craig was a good athlete. We played baseball, field hockey, tag, and football together. We also played on a T-Ball team in fourth grade. We drove to high school together and had a lot of laughs both before and after school. Although we drifted apart after I graduated from college he will always be my best friend from the wonderful days we shared on Cummings Avenue. I am deeply saddened to hear of his departure from this life and I will keep Craig, Mr. Fletcher, Jim, Gary, and the entire family in my prayers.
