“ We are so sad you are gone, you will never be forgotten. It was only just a couple of weeks or so ago you were here with us, at our house. We all sat around joking, laughing, talking until late at night. You stayed the night at our home and were gone before we woke, we never got to say goodbye to you... I will always be saddened by that. I will always remember being at the Island on Labor Day weekend, when the heavy rains came out of nowhere while we were on the boat, you moved too quickly to catch the dog from running off the dock and you slipped and hurt your foot. LOL not funny but it was funny how you took that like a champ! I will always remember our last, long conversations that last night you came over and how we made funny videos of Dave being silly... We will and do miss you. Rest in peace friend. Our condolences to your family and all of us who cared for you. Love, Andrew & Kristin Kostrzewa Torrie XoXo
