“ *My dear friend Curtis, We meet over 20 years ago and have remained close friends. Your crazy text and stories whenever I saw you will surely be missed (who will pick on me now). Hearing his stories of cooking and BBQing. I am so very glad I stopped at the HUB and had lunch with you and the guys a month ago! Was great seeing you and talking and laughing. I remember when Curtis met Wilma and married her, Brought happiness to his life. Was honored to be at their wedding and share a happy day with them. My heart goes out to Wilma, Irene, Carole, Chrissy and Craig, will be an emptiness in your hearts for sure. Curtis you are in Heaven now in God's arms and at peace! Heavenly hugs to you my friend ! “ *My brother, Curt, held a very special place in my heart. He enjoyed cooking, golfing, shopping and sticking to his daily routine. :-) Some things just never changed with Curt; he always addressed me with my childhood name Chrissy or my nickname, Fizzer, when he felt like teasing me. He would call me with any insights into areas of our life that would intersect. He'd share with me suggestions on spices when I would call him to give him the rundown on any meal I was planning. Most of all, I won't forget that Curt was the one that gave me loving encouragement and physically showed up at my door when life was difficult. Curt had a jovial, lighthearted way about him that brought joy and laughter to the room. My life was deeply enriched by a brother that I will miss until the Lord brings us together again. Love and will miss you dearly, Chrissy*
