“Curt was my "Once in a Lifetime" Friend. He would drop everything to lend a hand or offer support. We had too many countless good times to share in this little box. I will have to send a separate letter. I just thank God that Curt had been in my life.

“Curtis was a pretty Cool Joe as far as cousins go! He was my sponsor at Our Lady of Loretto when I became confirmed. He sat with me in the pew and kept trying to make me laugh because I was so nervous. I had a dream about him on Wednesday night and could see him clear as day... he was standing with his left hand in his pocket. He had on a white button up shirt and had the same reassuring smile on his face that he did when we were sitting on that wooden bench. Curt, you will be loved and remembered always. See you again on the flip side.
